INAUGURATION OF TOMINI SHIPPING - SEAFARER TRAINING CENTRE - A CUTTING-EDGE FACILITY FOR SEAFARER TRAINING

In line with Company's vision of continuous enhancement of safety culture, Tomini Shipping is delighted to announce the opening of its training centre at 907, Lodha Supremus, Saki Vihar Road Andheri (East), Mumbai. The training centre is dedicated to providing comprehensive and advanced classroom training for Tomini fleet's seafarers.

The opening ceremony took place on 07th December 2023. The training centre was inaugurated by the **Managing Director Shipping** of Tomini Group and attended by esteemed guests from the maritime industry, Tomini's sea staff, and stakeholders.

Tomini Shipping's training centre is designed to keep its seafarers' knowledge ahead of any

regulatory curve. With the fast evolving approach of the maritime industry to safety and environmental sustainability, Tomini Shipping aims to keep its seafarers trained in all aspects by delivering a wide range of courses and training programs. The training centre is headed by **Capt. Sudhir Nayer** who has previously commanded Tomini fleet vessels and has intricate knowledge of Tomini Safety & Quality Management Systems. By placing **Safety of Shipboard Operations & Reduction of Green House Gases** at its core, the training center will offer a diverse array of courses, including safety procedures, environmental sustainability, emergency response, and advanced technical training. Tomini Shipping firmly believes that challenges in the maritime industry can be overcome with the proper training of our people.

Tomini Shipping is dedicated to supporting the growth and development of its sailing staff by providing world-class training opportunities. The opening of Tomini's training centre marks a significant milestone in our commitment to excellence and safety in maritime education.

EASY, BUT HARD TIMES AHEAD

Bangladesh Prime Minister Sheikh Hasina, who enjoys India's backing, is looking at a comfortable victory in the parliamentary elections. But there are challenges aplenty, like a crisis of legitimacy, an ailing economy and the threat of US interference, which is not impressed with Dhaka's record on democracy.

Govt planning for National Ranking of all Ports amid rapid rise of Private Ports

NEW DELHI: The rapid growth of India's private ports may prompt the Centre to come up with a national ranking of all ports. There are approximately 230 ports in the Country.

This would benchmark efficiency standards of Major Ports against Non-Major Ports, which are owned by private players and State Governments.

The Ministry of Ports, Shipping and Waterways has communicated to all port authorities its intent of setting up this database. It has sought various datasets for these rankings, officials in the know said.

Great Nicobar may soon get an International Container Terminal

NEW DELHI: Indian Government is working on ways to electrify the proposed development of Great Nicobar Island as an international container terminal and transshipment port through green energy and gas-based power. India plans to develop the proposed port at Galathea Bay in Great Nicobar Island of Andaman and Nicobar Islands as an international terminal and port. For this, the island is likely to be connected with green power and gas-based electricity.
