#### **Title: Maritime TV**

**Description:** As a pioneering global Internet broadcasting and streaming media company, **TV Worldwide** ([www.TVWorldwide.com](http://www.TVWorldwide.com)) developed the first Internet TV network of community-based interactive channels, including **Maritime TV** ([www.MaritimeTV.com](http://www.MaritimeTV.com)) in 1999. Maritime TV is now the industry's pre-eminent channel for live and archived webcasts and video presentations involving the commercial and military shipping industry. Programming on Maritime TV ranges from congressional hearings on important marine industry issues, to live interactive town hall and advocacy group meetings, to training on shipboard safety and operational fundamentals. Maritime entertainment-based programming is also available, including the entire collection of episodes from the renowned television series, *'Victory at Sea'*. Over time the channel has also evolved into a leading source of industry-specific information for media outlets in the mainstream press, such as *USA Today*. Maritime TV is pleased to serve this industry, so vital to the global economy, as the world's first maritime TV channel.
