MANIPUR ONE YEAR LATER

Amidst the clamour of the general election, let us remember that the violent wounds in Manipur are far from healing

COVER STORY

Eyes wide shut

10/ In Manipur, one year later, the fires are still burning, stoked by the BJP's support for radical Meitei groups and the demonisation of the Kuki-Zo. The state's disinformation campaign and denial of reality has driven a permanent wedge between the two communities, leaving little hope of justice for the victims.
